INTERNATIONAL UNION OF OPERATING ENGINEERS LOCAL 139

*Happy Holidays from
Operating Engineers Local 139*

HOLIDAY EDITION 2021

MERRY CHRISTMAS BROTHERS AND SISTERS!

As we all cautiously continue to move towards a normal and functioning society, if there is one thing the pandemic taught us all, it is how much we take our social interactions for granted. Whether we are meeting at the union hall, visiting friends, or settling a business transaction with someone, for the greater part of 2020 and the beginning of this year, we had to surrender the face-to-face component of these social interactions out of caution and courtesy to one another. A lot of meetings were conducted electronically through programs like Microsoft Teams, Zoom and the ever-reliable teleconference. These means of communication seem fine to me for a visit with family and close friends, but I absolutely abhor these methods when I am trying to conduct business.

Terry McGowan
*President/Business Manager
IUOE General Vice President*

I am also aware that a great deal of our membership feels the same way as I do when it comes to meeting someone in person as opposed to electronically, especially when you are reconnecting with old friends. That is exactly what we missed last year when we bypassed the Christmas meetings. Several of our venues had closed their banquet halls for all weddings and holiday gatherings in the middle of Summer 2020, and the decision was made to scrap the entire season and we put together a holiday gift box for each member. But our members still missed the opportunity to meet one another personally.

We are very aware how important these gatherings are for our members. Especially if you work as a traveler a lot, this is your chance to reconnect with friends and acquaintances that you may not have been able to see since the last Christmas meeting, which would have been in 2019. That is why we worked so hard this spring to get our meetings opened back up. Many of our members attended our first meeting in April when we conducted our spring General Membership meeting in the arena at the Joseph J. Goetz Training Center in Coloma. After that meeting, we cautiously began to open our district meetings around the state, then we opened our sub-district meetings until we had all our regular meetings being conducted throughout our jurisdiction. We were among the first unions throughout the Midwest to accomplish this task so early and if we may add, without any reported breakouts as a result.

Now we tackle the Christmas meetings to get all these old friends and acquaintances back together for some laughs, a good meal and possibly a few beers. If you believe in the old proverb by the Roman poet Sextus "absence makes the heart grow fonder," then we can all expect that this will be an especially good time this year. After all, it has been well over a year since we have been able to get everybody together. We will also be proud to recognize our service and achievement award recipients at these celebrations once again.

In closing, we look forward to many more years of advancing this great organization, while we celebrate the service of our membership and most of all, we look forward to seeing a gathering of good friends once again at our 2021 Christmas meetings!

A handwritten signature in black ink, appearing to read "Terry McGowan".
